CLUBHOUSE

Project: Highland Mayfields – Mohali, India

THE CROWN JEWEL

The Club is visualized as the crown jewel of the project similar to the way Highland Mayfield stands at the pinnacle development of the region. With over 50,000 square feet, meticulously curated amenities are precisely designed to cater to the diverse interests from communal gathering space or a private event, 5-star level hospitality relaxation and entertainment, to hi-tech gym and peaceful, rejuvenating health amenities.

The Club's interiors are inspired by the elegant, contemporary aesthetics – features clean lines, open spaces, and luxurious touches exist in carefully chosen opulent finishes like marble, natural stone, and polished wood combined with custom furniture, intricate patterns, and statement lighting merged to create an elegant comfort perfect for modern tastes. This combination ensures the sophistication in the space yet far from become overwhelming.

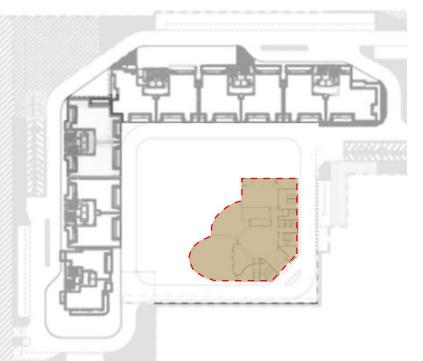

Located at center of 16 acres of lush green landscape, **The Club** is substantially benefit from natural light introduced by strategically located, large windows which seamlessly blend the outdoors with the indoors, achieving a very relaxing nature-inspired spaces creating not only a feeling of freshness and serenity atmosphere but also but also glamorous ones.
